

Liquor Licensing

Our lawyers have experience helping many of the establishments throughout Colorado through the comprehensive liquor licensing process from the application, to the petition and public hearing, and through to compliance and representation for any violations. We are well-versed in the nuances of each type of license and assist a variety of clients including restaurants, bars and taverns, breweries, hotels, retail liquor stores, manufacturers, and distributors.

Our team is here to help with issues related to:

- License applications and renewals
- Liquor Common Consumption Area (CCA) license applications
- Cabaret licensing
- Transfer of ownership applications
- Change of corporate structure reporting
- Joint licensing
- Public hearings
- Zoning use permits
- Compliance and violation representation
